# THE ULTIMATE REALTOR® CHECKLIST TO GETTING MORE DONE

Stay Organized & Close More Deals

1

## Stay Organized in One Place

A real estate CRM keeps all your contacts, transactions, and documents in a single, streamlined system.

## Set It and Forget it

Effortlessly stay top of mind by capturing new leads and automatically assigning them to an email nurture campaign.

2

3

## Stay on Schedule

Set reminders for meetings, calls, and appointments. Stay connected effortlessly with recurring reminders, such as quarterly check-ins with your top clients.

## Never Miss the Details

Remember birthdays, anniversaries, and key moments with automatic alerts, ensuring every client feels valued.

4

5

## Put Your System to Work

Automatically assign sellers and buyers to the right Activity Plan, ensuring every task is tracked when listing or closing a home.

## Unlock Valuable Insights

With the right CRM keeping you organized, you can track referral sources, average selling prices, listing days, and more to make smarter business decisions.
